Public Notice

The Department of Water Supply intends to file an application for financial assistance with United States Department of Agriculture (USDA)/Rural Development for the Kona Ocean View Properties subdivision Improvement District project. Major elements of the proposed project are to install water mains, fire hydrants, service laterals and meters. The Project is intended to provide adequate fire protection and reliable and safe water service to the residents of the subdivision.

The Kona Ocean View Properties subdivision is a subdivision located at Pu'ukala, North Kona, Hawai'i. The subdivision was created in 1959; however, water service was not available at that time.

For more information, please contact Mr. Ryan Quitarano at 961-8070, ext. 256.
