

Department of Water Supply, County of Hawai'i
Use Drinking Water Wisely

Ways to Conserve Water

- Do not let faucets or showers run unnecessarily
- Wash full loads of dishes and laundry only
- Do not flush toilets unnecessarily

- Use a broom instead of a water hose for cleaning
- Use a spray nozzle on water hose for cleaning
- Serve drinking water only when requested

- Do not overwater lawns or plants
- Check your irrigation system and fix broken sprinkler heads
