

Kōkua Ke 'Olu'olu

— REQUEST FOR ASSISTANCE —

2023 HWWA Conference SUPPORT OPPORTUNITIES!

For the first time since 2019, the Hawai'i Water Works Association welcomes attendees back, in-person, to participate in the annual Hawai'i Water Works Association Conference.

There are several ways to provide your kōkua (assistance) toward this much anticipated and impactful event.

We are looking for sponsors/donors, presenters, and volunteers.

Your support is vital to our success!

Become an HWWA Sponsor / Donor!

This year's sponsorship program offers multiple options to encourage your organization's sponsorship participation, including advertising opportunities and complimentary conferee registrations!

HWWA is humbly requesting sponsors to reduce the cost of the conference registration fees. All donations will be gratefully accepted and acknowledged. Each donor and sponsor will be recognized for their support of the HWWA, and the return of this long-anticipated event, in the HWWA conference booklet.

Share your Expertise!

"An investment in knowledge pays the best interest." - Benjamin Franklin
Sharing your expertise with others is another valuable way to contribute toward the success of our conference.

Volunteer your Time!

The HWWA would not be what it is today without the support and hard work of those that selflessly contribute one of their most valuable assets, their time.
