AFFECTED AREA: ALL SERVICES ON HAWAI'I BELT ROAD (HWY 190) BETWEEN PU'UKALA ROAD AND LAMAOLA HOMESTEAD ROAD, AND ALL SERVICES ALONG PU'UKALA ROAD; KALAOA, NORTH KONA, HAWAI'I

Water will be temporarily turned off in the above-mentioned area **from 8:30 a.m. to 12:30 p.m. on Tuesday, May 19, 2026**, to install a new waterline connection.

Upon resumption of water service, the waterlines will be flushed and cleaned, during which time you may notice turbid and/or discolored water.

You may also notice trapped air in your plumbing, which will be released as you initially use water.

Affected customers are asked to take any and all precautions necessary to protect your property and facilities including, but not limited to, disabling electrical power to pumps and/or any other devices whose normal operation may be dependent on water pressure and/or water supply, and which might be damaged if automatically energized during the water shutoff.

Also, affected customers should set aside drinking water ahead of time to meet their essential water needs until normal service resumes.

Please pardon this temporary inconvenience. If you have any questions, please call Mr. Joshule Johnston or Mr. Dustin Kaneta-Ogata, District Supervisors, at (808) 322-0600.
