Water Restriction Notice Issued for Kalapana, Puna Customers

AFFECTED AREA: KALAPANA; PUNA, HAWAI'I ISLAND

Effective immediately and until further notice, a **Water Restriction Notice** has been issued for all Department of Water Supply (DWS) customers in the affected area. A Water Restriction Notice requires affected customers to **reduce water use by at least 25 percent**.

These restrictions are needed due to unexpected well and equipment malfunctions. DWS is currently hauling water to the upper Kalapana water tank. Reducing water use is necessary to maintain adequate water levels in the water storage tanks for all customers. DWS asks customers to use water wisely and not waste it. To learn ways to reduce water use, please visit the DWS website at www.hawaiidws.org, call (808) 961-8050 during normal business hours or email dws@hawaiidws.org. For after-hours emergencies, please call (808) 961-8790.

DWS thanks affected customers for their understanding and kokua.

This is your Hawai'i County Department of Water Supply.
